### More Epiphany!

This liturgical year gives us some extra weeks in this season. Time to immerse ourselves in the Light of the World. Just as in our part of the world many flora and fauna are dormant, hibernating, preserving energy for the great emergence of spring. February this year of-  
fers another whole month to celebrate and reflect God's glorious light.

LIGHTS WORLD

Make some space to hibernate with Holy Spirit, really dive into this illuminating divine relationship. Look up scriptures that talk about light. Soak in the sunbeams giving thanks for God's energetic love. Make a retreat day, spending a whole day exploring God's wonder. Try out a new prayer practice. Create a journal page with all bright colors. Set up a table full of candles. Explore this season of hope-filled proclamation.

As the world around us begins its annual focus on love, become even more aware of the fullness of the love of Jesus Christ in your relationships. With the light of Epiphany burning bright in our hearts, give expressions of love with every encounter. Gifted by God, burn as a brilliant blessing of Good News. Happy Epiphany. Happy Valentines.

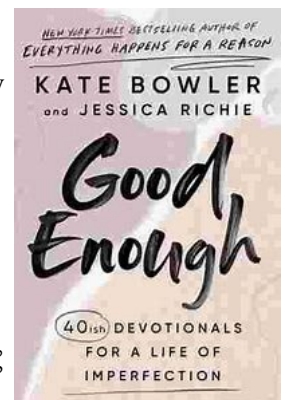

### Lent - Coming March 2nd

Lent is on the way. Beginning with worship on Ash Wednesday. A season to prepare for a full celebration of new life in Christ. A time to practice being disciples together. Study and worship through the scriptures leading us to Holy Week and Easter Resurrection. Engage in small group conversation and mission.

Watch for details on Bible Study, worship experiences, and mission opportunities in the coming weeks. Kate Bowler's new devotional book will guide this journey.

"Written gently and with humor, *Good Enough: 40ish Devotions for a Life of Imperfection* gives permission for all those who need to hear that there are some things you can fix—and some things you can't. And it's okay that life isn't always better. We hope to offer fresh Christian imagination for how truth, beauty, and meaning can be discovered amid the chaos of life."

Love in Christ, Pastor Gretchen

**Harmony House Presents:**  
**All in His Name**  
**Friday, February 11th at 7PM**

All In His Name is a Contemporary Christian band made up of four members of the former "4th Day Band". Fourteen years ago, the Cursillo community of the Tidewater area was hosting the National Cursillo Seminar in Virginia Beach. Tommy and Karey Sitzler, husband and wife who were playing locally as 2-4-1 (the two of them for Christ!) organized a group of musicians to join them to provide music for services and entertainment. After the event the group decided to continue rehearsing and stay together and 4th Day Band was born.

Over the years the sound of the group evolved into a more acoustic tone. Karey began writing more and more of the music and it lended itself to a smaller more intimate quality. The band parted ways with two members, with their blessing, of course, and became All In His Name. The band's name refers to a song title of one of Karey's songs based on Col 3:17. Tommy, Karey, Bill, and Clint are committed to continue to serve our Lord, giving their talents and sharing His story as they dedicate "everything we do and everything we say" to Him.

**Ash Wednesday– March 2nd**

Join together as we mark the beginning of our Lenten journey 2021.

**Please watch communications** for upcoming details.

**A mission opportunity:**

Jeremy, the team leader at First United Methodist Church in Hampton has again invited people from Wesley to join the volunteers from First UMC to form a team willing to perform needed repairs to property in and around the city of Marion, Virginia.

There are many who need a helping hand because of a lack of financial resources or physical disabilities. The trip is planned for the week of July 17, 2022.

### Member Spotlight: Stew Bowden by Mary Saylor

Stewart Bowden added another achievement to his amazing life by becoming a nonagenarian on November 21. Born 11-21-31, Stew was a middle child of 6 siblings. The family home was on Brambleton Avenue in Norfolk, where Norfolk State University now stands. When Stew got to be school age, his family made the difficult decision to send him to the residential School for the Blind in Staunton, VA. As the family had no car, young Stew rode a train to Staunton and only got to come home for Christmas break and summer vacations. When Stewart approached his teen years, he looked forward to his summer job selling *Virginian Pilot* newspapers on the corner of College Place and Granby Street. Stewart excelled as a wrestler during his high school years—and he has some missing teeth to prove it! Stew got special tutelage occasionally from legendary Granby High School wrestling coach Billy Martin when he was at his Norfolk home.

After high school, Stewart enrolled at the University of Virginia where he majored in Spanish and minored in French and Social Studies. He had hopes of working for the US State Department after graduation. But in spite of doing well on the entrance exam, Stew was denied a position with the State Department. Time to regroup... He earned his teaching credentials and applied for many teaching positions. But at that time there was no totally blind person on record who had been hired as a public school teacher. The Lions Club and the *Virginian Pilot* advocated for Stewart, and eventually the principal at Norfolk's Norview High offered Stew the opportunity to teach for a year – without pay! Stewart refused. Ultimately, in 1957, the Norview principal hired Stewart-- with pay -- to teach 5 classes of global geography daily.

Also in 1957, Stewart and Jean were married. They had met during Stew's senior year at UVA when Jean was earning her RN at the University hospital school of nursing. In their 64 years of marriage, Stew and Jean welcomed 3 children -- Eric, Elaine, and Janine -- 8 grandchildren, and 5 great-grands. They have only seen photos of the great-grands because 2 live in Dubai and 3 live in France!

After successfully teaching in Norfolk for 4 years, Stewart was recruited to develop a Spanish language program at the Virginia School for the Blind in Staunton. He taught there 12 years before moving to New York to teach at another school for the blind. In 1980 Stew received an unsigned form letter from the Virginia Department of Education announcing the need for a principal at the Hampton School for the Blind. Stewart applied, was hired, and served well in this capacity until his retirement.

Stewart has always been very active in his community. He was a Lion for more than 30 years. He especially enjoyed singing "barbershop" style music with groups in VA and NY. And he remains a huge fan of UVA basketball.

Before Stewart and Jean moved to The Chesapeake retirement community in Newport News 9 years ago, Stewart always had a "job" at Wesley. He sang in our choir for 31 years and was a frequent soloist. (Who can forget the many Christmas Eves Stew sang "Sweet Little Jesus Boy"?) He served as Administrative Board Chair, Council Chair, Lay Leader, and on all the committees that supported these roles. He was also involved in the construction of our current fellowship hall.

Prayers are with Stewart today as he recently tested positive for Covid. But we know Stew will "lick" this, too, as he has overcome so many hurdles in his life. Stewart's courage, determination, talent, broad smile, and faith have served him well through his 90 years.

## Help celebrate Heart Havens Month in February

Heart Havens Month is here. The Virginia Conference has designated February as Heart Havens Month, one of six special offerings throughout the year. There are six Heart Havens homes across the conference, where men and women with a developmental disability are empowered to be full members of the body of Christ, and active participants in their communities.

The theme for Heart Havens Month this year is "*A New World*."

Join us for **An Evening with Heart Havens**, a virtual event to get to know Heart Havens and our residents better. The virtual Heart Havens month event will be held on **Tuesday, Feb 22 at 7pm** and include an overview of Heart Havens, a chance to meet residents and a time for Q&A.

### Free Covid Drive Through Testing Feb 3rd

Hampton and the Virginia Department of Health are partnering to provide drive-through free Covid testing to anyone 5 and

up. The tests will be the PCR lab tests, which are more accurate than rapid tests but take longer to get results.

The testing will be done **Thursday, Feb. 3, from 10 a.m. to 2 p.m.** at the Hampton Roads Convention Center, 1610 Coliseum Dr. The tests will be first come, first served, as long as supplies last. Participants are encouraged to register in advance <https://schools.coquihealth.com/registration/04a375af-18cb-450e-8dbc-6c3c12800f0a> but can sign up on site.

Parents or guardians must accompany minors. The registration form has a field for participant ID; that is usually for groups and is not necessary for signing up for this testing event.

### All God's Children Camp Needs Your Help

The dates for All God's Children Camp have been set (**June 19-24**, Richmond area; **July 24-29**, Chesapeake/Eastern Shore area; and **August 14-19**, Richmond area) and now the camp needs volunteers to act as camp mentors. Please consider volunteering a week of your time to help make it possible for kids to enjoy a week of camp and engage in all that camp life. This is also a great way for groups such as Sunday school groups, Sr. High youth groups, or other small groups to be in mission together.

As a ministry of the Virginia Annual Conference, All God's Children Camp (AGCC) is a weeklong overnight camp for children ages 7 to 12, with an incarcerated parent. Campers have an opportunity

### An Interfaith Movement to End the Pandemic

The worldwide mission and development agency of The United Methodist Church, Global Ministries, launched a new initiative joining interfaith partners in an effort to increase the equitable distribution of the COVID-19 vaccine around the world. The project was established to support UNICEF's interfaith movement to end the pandemic.

While many wealthy countries have made significant inroads into vaccinating their citizens, this is not the case in less-developed countries. The Love Beyond Borders campaign will support COVAX's initiative to equitably distribute vaccines around the world. For just \$37 dollars, you can help provide 10 people with two doses of the vaccine. Global Ministries has created this project to ensure that 100% of donations go directly to UNICEF USA.

Global Ministries and UMCOR have supported partners in Africa, Asia, Latin America, the Middle East and North America as they work to respond to the pandemic and its impacts. Join us in the fight.
