Pastor's Ponderings

Winter for me is a paradox. It has some of the richest natural beauty and some of the bleakest, dreary days. There is the least sunlight and some of the most brilliant of suns. It includes a celebrate of new beginnings as we turn the calendar. It holds the brightness of Epiphany as we celebrate the Light of all lights. Winter is also full of long, dark nights when often the moon cannot even pierce the dimness.

There is an intensity to this season which opens a space for centering prayer, thoughtful reflection on God's word, rich spiritual conversation around table fellowship, and a search to fill the longing of our soul with the wonders of God's love.

There is a quietness that speaks of hope. In these long nights many cultures encourage the gathering of friends, family, neighbors for hours of music, storytelling, games, and fellowship. Times to build relationships and spend quality moments growing together.

This winter, may we look at the world around us and see possibility, grace, splendor. In the gray may we be open to see reflections of all the colors of Jesus' loving presence. This winter, let us be shining lights of courage and companionship, living as disciples carrying the good news into all the corners of this world. Let us dive deep into the wonders of God as we connect with one another. May we follow in Jesus example, walk his path...

"The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor. He has sent me to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord's favor."
Luke 4:18-19

Pastor Gretchen

Wesley In the Community Event February 15th—7:00-8:00 PM

We are looking for a few “good” or even “not -so-good” Holy Bowlers to form 3 or 4 (or more) friendly competitive bowling teams for a “Wesley Out- In-Our-Community Event”. For those who may not be aware, Wesley first began meeting many years ago at the Spare Time Bowling Alley just down the street from our church. No, the charter members were not a bunch of bowling league members who wanted a bowling church service! They were a group of faithful Methodist who recognized the need to establish a new church in their growing community. Spare Time just happened to be the space available for worship until a permanent church could be built.

So-- in honor of our founding fathers and mothers the Board thought it would be fun to return to our roots and show that we Methodist (United Methodist now) are still present in the community. How about it! Who is willing to commit to an hour of fun and fellowship with family and friends from 7 until 8 pm on February 15th ? Talk it over and form a team of 4 or 5 to share in a little exercise and fun with your church family! The cost will be \$7 per person. We are asking for a commitment and payment by February 3rd so lanes can be reserved in advance.

See either Board member Greg Paxton or Pat Fitzgerald to reserve your spot! Then prepare for a bowling good time!

Special Lunch Fellowship

February 10 following the 11 AM service

As you may know, the difficult decision to close Aldersgate United Methodist Church located in the Wythe neighborhood of Hampton has been made. Worship services stopped January 1. Our prayers are with the many long term, faithful members of this church body whose church family has been uprooted.

Some former Aldersgate members chose to transfer their church memberships to other area churches. We are truly delighted that some chose to transfer their memberships to Wesley. Wesley is also privileged to receive the memberships of all former Aldersgate members who have not selected a church to transfer their memberships to.

To welcome and fellowship with our new brothers and sisters in Christ, there will be a special fellowship lunch following the 11:00 am worship service on Sunday, February 10. Please plan to join us in the fellowship hall and get to know the Aldersgate folks.

Basic Early Response Team Training

Saturday, February 9, 2019 9:00 to 5:00 PM

Wellspring United Methodist Church

4871 Longhill Road, Williamsburg, Virginia

What are Early Response Teams?

Early Response Teams (ERTs) are part of the vision of the United Methodist Volunteers in Mission. ERTs fill a specific need in the early days after a disaster to clean out flood-damaged homes, remove debris, place tarps on homes, and otherwise help to prevent further damage, while providing a caring Christian presence. ERTs are not a first-response group of emergency workers, nor are they recovery, rebuild, or repair teams. Under very specific guidelines, ERTs assist survivors, without causing further harm or being a burden to the affected community. ERTs require an invitation to travel to another district, conference, or jurisdiction.

Joining an Early Response Team requires special training and certification.

What is Basic ERT training?

Participants learn the basics of disaster response, including how to stabilize and secure homes safely, and how to work effectively with survivors and others on the response team. This standardized class is required for the basic ERT UMCOR identification badge.

Training fee: \$35 (includes sub sandwich lunch)—Payment can be made the day of the training
Checks are to be made payable to the Virginia Annual Conference

ADVANCED REGISTRATION IS NEEDED BY FEB. 5TH
