

Wesley United Methodist Church
Mitigation Assistance Plan (M.A.P)
[refer to the full M.A.P. For details]

Requirements for meeting In Person for best health practices.

Minimum requirements for gathering in person:

- * Masks required for all unvaccinated persons.
- * Masks required for all persons working with children.
- * Masks highly recommended for everyone.
- * Upon entry, everyone responds to questions found on
- * Health Acknowledgement Poster
- * List of all participants kept by group leader for one month.
- * Gathering time limited to 90 minutes inside in largest room available
- * Provide ample physical distancing. 6 feet is most effective.
- * Half of the windows open for fresh air inclusion.
- * Spray disinfectant on all touched surfaces after each restroom use.
- * Clean all high touch areas with provided disinfectant at
- * conclusion of gathering.
- * Food and beverage allowed.
- * Food served by masked individuals.
- * Kitchen use by up to 3 masked individuals at a time.
- * Consider part or all of your gatherings outside when possible.

For your group, please consider these six areas of mitigation to provide best health experiences for all participants. Additional measures may be necessary for each context:

- * Hygiene
- * Physical Distancing
- * Masks
- * Screening
- * Limit Exposure
- * Ventilation
