

Wesley United Methodist Church
Mitigation Assistance Plan (M.A.P)
[refer to the full M.A.P. For details]

Requirements for meeting In Person for best health practices.

Minimum requirements for gathering in person:

- * If you are experiencing symptoms of COVID (or any other contagious virus) or been exposed to someone who has in last five days, please Join in online.
- * Masks optional for anyone choosing to wear one.
- * Masks recommended for all persons working with children.
- * Before arriving, review questions found on
 - * Health Acknowledgement Poster in relation to all attending
- * List of all participants kept by group leader for one month.
- * Provide ample physical distancing allowances.
- * Some windows open for fresh air inclusion.
- * Clean all high touch areas with provided disinfectant at conclusion of gathering.
- * Food and beverage allowed.
- * Kitchen use in small group numbers
- * Consider part or all of your gatherings outside when possible.
- * Communion by intinction with officiant masked in addition to pre-packaged option.

For your group, please consider these six areas of mitigation to provide best health experiences for all participants. Additional measures may be necessary for each context:

- * Hygiene
- * Physical Distancing
- * Masks
- * Screening
- * Limit Exposure
- * Ventilation

Wesley's Leadership Board continues to monitor local statistics, VDH and CDC guidance for any ongoing needs to make alterations.
